THE BIG DEAL *Gala*

We believe every child should have the opportunity to reach their full potential, both as individuals and citizens – that by doing so, they will not only do well, they will also do good.

At Big Brothers Big Sisters of Langley, we create, invest in, and empower life-changing relationships for children facing adversity. We believe that every child has limitless potential and individual strengths, and that adversity does not have to determine who they are or who they will become. With the guidance and support of a mentor, youth are reminded they can be anything they dream of being.

We know that when mentors do the simplest things - like show up, listen, and care - important things happen. Youth feel heard, they feel valued, they feel like they matter. Children who are mentored have the support they need to thrive, not just survive.

We believe the most important investment we as individuals and a community can make, is helping children ignite their full potential. Join us in working towards our fundraising goal of \$80,000 at this year's Big Deal Charity Gala!
