2025 SPONSORSHIP PROPOSAL PACKAGE

ABOUT US

MENTORING CHANGES LIVES.

At Big Brothers Big Sisters of Langley, we create, invest in, and empower life-changing relationships for children facing adversity. Many children in our community struggle with societal barriers and face adversities in their lives, such as living in poverty, being separated from a biological parent, risk factors for mental health, being bullied at school, or witnessing violence.

Through mentorship, Big Brothers Big Sisters can ensure that these adversities do not define a young person's adulthood. We work to reach young people during their critical years of development so that our intervention has a chance to buffer childhood stress and ignite a child's unique potential. The Centre on the Developing Child at Harvard University argues that no matter the source of hardship, the single most common factor for children who do well in life, is the presence of at least one stable supportive relationship with a caring adult.

Children who are mentored have the support they need to thrive, not just survive. And when children are given the opportunity to do well, our community also does well. Research shows that every dollar of investment in our programming returns between \$18 and \$23 to society through taxes and increased spending from higher incomes, volunteerism, and charitable donations.

THE BUSINESS OF CREATING MEANINGFUL RELATIONSHIPS

Our ability to innovate and collaborate, and our history of demonstrated success with some of the most recognized brands and organizations at the local and national level, makes us an ideal charitable partner for companies interested in pursuing cause-related marketing campaigns, or exploring community investment and/or sponsorship.

For those who are new to corporate social responsibility programs, we can help you achieve tangible business benefits:

- > enhanced brand perception by associating with our organization and agency
- > increased awareness by leveraging our reach
- > influencing consumer choice and increased sales/profits by differentiating your product/company
- > increased productivity and employee satisfaction through employee engagement

SUPPORT MADE EASY

We want to make things as easy as possible for you. There are a few ways that you can support our agency and get involved. Please review our opportunities below to find the best fit for you.

Event Sponsorship

Event sponsorship is a great way to support our agency and invest in the youth in our community while elevating your brand exposure with fellow community organizations and leaders. Whether it's one event or multiple, we can develop a plan to reflect your social giving program. Every event offers varying levels of sponsorship with benefits that create return for your support. In-kind donations for silent auctions and raffles at our events are also a great way to contribute to our events.

Corporate Donations

Did you know that the cost to support one match in our community-based mentoring program throughout the first year is \$2,200, and our group programs cost \$5,000 per 8-week session? Expenses include volunteer recruitment, family and volunteer training, ongoing support from our mentoring coordinators, match activities and activity bins and more. Your philanthropic donations enable BBBS to respond immediately to our young people's greatest needs. You may choose to designate to a specific area of support within the organization or entrust the decision to the team to put your generosity to work where it is needed most at the time.

Monthly Giving

Interested in donating without the hassle? Consider setting up a monthly giving campaign! Determine an amount that works for you and an auto-payment will withdraw from your account each month. This provides us with a consistent revenue to support our programs. We also support monthly giving through payroll deductions.

Holiday Hampers

For over 10 years, our agency has provided hampers to families in our agency. Originally starting with 4 hampers per year, the program has grown to over 40 hampers per year which truly speaks to the need. We want to do everything we can to support our families that could use a little extra support over the holiday season.

BIG DEAL GALA

We are excited to be hosting our 5th Annual Big Deal Charity Gala on May 9, 2025, for an evening full of games, entertainment and lavish prizes in support of mentoring programs in the community. Last year, we raised over \$83,000 with the support of local businesses, organizations and community leaders. THE BIG SOCIAL

This is a new event for our agency and we would love to have you involved! We had our inaugural event in 2024 at the Koop Venue and we are ready to bring it back for another year. The event included beverage tastings from over 12 local vendors, a catered dinner, late night pizza and candy bar, country performances by Karen Lee Batten, Tony Stevens and Amy Baker! We also offered a cash bar, 50/50 raffle, a silent auction and games. With 150 tickets sold and over \$18,000 raised, we recognize the potential and look forward to growing the event in the coming years.

It offered a relaxed, and fun opportunity to bring community members together in support of mentorship. Sponsorship tiers will be announced in 2025, but we are open to creating sponsorship tiers that align with your business and budget.

EMPLOYEE ENGAGEMENT OPPORTUNITIES

If you are interested in donating time instead, we have many opportunities throughout the year that require the assistance of volunteers!

During the school year

In-school Mentoring

For one hour a week, mentors meet with their mentee and engage in activities such as board games, crafts or just hang out on the playground. Mentoring sessions take place during school hours and on school grounds. Many organizations provide an employee volunteer allowance and this is a great way to get them involved in the community!

Spring, Summer and Fall

Fundraising Events

We have 3 major events throughout the year that count on the support of volunteers. The Big Deal Gala at the Coast Langley hotel takes place in the spring, offering an evening of entertainment, casino games and the Big Deal Gameshow. Our golf tournament takes place in the summer at Newlands Golf and Country Club, and finally the Big Social takes place in the fall. These are great opportunities for teams to volunteer together and make a big difference in the community.

Month of December

Willowbrook Gift Wrapping Centre

Our agency will be at Willowbrook Shopping Centre during the holiday season wrapping gifts and spreading holiday cheer! We will be seeking volunteers to help with wrapping gifts and hosting the front desk by taking orders and processing payments. This festive fundraiser helps raise funding for our mentoring programs and the children and youth we serve, but is a great way to connect teams by volunteering during the holiday season.

Have another idea?

We're interested! In the past, we have also hosted bottle drives, clothing drives and more to help raise funds for our mentorship programs. If you and your team are interested in hosting your own event to support our agency, connect with our Executive Director, Roslyn, today!

HOLIDAY HAMPERS

With the support of our community, we were able to provide over 40 hampers last year to families in our agency. The cost of living is getting higher and higher, and we want to do everything we can to support our families that could use a little extra support around the holidays.

We collect a family 'wishlist' that we pass along to the family's assigned sponsor. We continue to partner with many businesses that support Langley families during the holidays. This is a great team-building opportunity for companies who wish to give back.

Once they are ready, we coordinate the pickup or drop off of the hampers to our families, courtesy of Broyce Mechanical and their continued support in helping us deliver the hampers using their fleet vehicles.

However, the holidays are a busy time. We will happily accept monetary donations towards the hamper program, and our staff can do the shopping on your behalf.

If you would like to help us bring joy to our agency families in 2025, please connect with us.
